**RELEASE NUMBER: 2023-01-17-01**

**DATE: January 17, 2023**

## **Sentinel real estate townhall**

**F. E. WARREN AIR FORCE BASE, Wyo.** – The U.S. Air Force in partnership with the U.S. Army Corps of Engineers are holding two townhall meetings in Wyoming and Nebraska on Jan. 24 and 25, 2023. The intent of these meetings is to inform the local public and landowners about upcoming real estate acquisitions planned in their areas.

The Air Force has determined the initial temporary construction easements and new permanent easements for utility corridors and tower sites needed for the new Sentinel Program tentatively breaking ground in the Fall of 2023.

The town meetings are scheduled for January 24 in The Sagebrush, Kimball, Nebraska; and January 25 in Pine Bluffs Community Center, Laramie County, Wyoming. Townhalls start at 6 p.m.

During these meetings, the Air Force will set up stations to explain the real estate acquisition timeline and process. Subject matter experts will be available to answer questions landowners may have about the property needed for the Sentinel Program.

The Air Force is modernizing existing Minuteman III systems, including missile silos, control centers and other ground infrastructure at F.E. Warren Air Force Base, Wyoming; Malmstrom AFB, Montana; and Minot AFB, North Dakota.

For additional information please contact Terry Higgins, F.E. Warren Public Affairs Office at 307-773-3400 or email [90mw.pa@us.af.mil](mailto:90mw.pa@us.af.mil).
