THE GREAT PARK PURSUIT ACROSS NEBRASKA!

Kimball's City Park is participating! The Great Park Pursuit program encourages participants to visit up to 20 parks across Nebraska between May 1 and October 31, 2023. Players follow clues that will lead them to a GPP post (like the one pictured that is in City Park) where they will make an impression on the post or use the [mobile app](#) to prove they were there. Prizes and entry into drawings are based on the number of impressions collected. Since 2008 more than 24,000 Nebraskans have enjoyed the adventure the Great Park Pursuit offers.

Nature impressions are located at 20 Great Park Pursuit sites throughout Nebraska. The challenge is to visit as many of the selected park areas as you wish between May 1st & October 31. For more information, site map, prizes, & guidelines go to: ngpp.org.
