

City of Kimball High Points

July 2023

SAVE THE DATE!! WESTERN FIELD DAY

Hosted by the South Platte NRD and the Nebraska Forest Service.

August 17th, start at the South Platte NRD in Sidney, NE
Hackberry Hollow Tour

August 18th, Start at the 4-H Building in Kimball, NE
Native Limber Pine Tour

Come join us on a jaunt through the south panhandle to ooh and aww over some really neat stands of trees!!

We have some speakers lined up to talk about the geological history, tree science, and opportunities for the attendees to share their insights and knowledge. This is intended to be a fun, laid-back day out in the field, just being one with the trees. There will be some moderate hiking in the pasture/rocky butte landscapes.

We are capping the registration at 50. We are still working on the details for the meals and t-shirts to figure out the registration costs. You will have the option to register for one or both days.

The event coordinators: Galen Wittrock, South Platte NRD
Justin Evertson, Nebraska Forest Service & Nebraska Statewide Arboretum
Chrissy Land, Nebraska Forest Service

Stay tuned for registration details!!

The Kimball—Banner County Fair runs August 8—15 at the Kimball-Banner County Fairgrounds. See a complete schedule of events at Kimball/Banner County Fair/Nebraska Extension. Click on Banner/Kimball County Fairbook.

ATTENTION!!

The Annual Water Quality Report for January 1st to December 31, 2022 is ready to view on our website: kimballne.org

Please Pick Up After Your Pet

It doesn't take much to remember that we have pets in our community. In fact, if you don't watch your step, you're liable to step in one such reminder!

Besides being unsightly and smelly, animal waste can be hazardous to the health of our children who play in the community *and* other pets. One of the most common forms of disease transmission between dogs is through fecal matter.

When walking your dog, remember that it should be leashed. **Also, it is important to remember to immediately clean up after your pet.** Take along a baggie with you to pick up waste and then dispose of it properly.

By taking a few simple steps to clean up after your pet, you can contribute not only to the beautification of our community, but also towards the elimination of one of the most irritating nuisances in our community.

Thank you for your cooperation!
