Choice Gas Selection Period is April 4-24

The 2023 Nebraska Choice Gas program selection period will run from April 4 through April 24. During this period, natural gas customers can choose their natural gas supplier and pricing option for the upcoming gas year, which begins June 1 2024 and runs through May 31, 2025.

ACE, the only community-owned natural gas supplier in the program, is celebrating it's 25th year as a competing supplier this year. At the direction of the ACE Board, ACE returns money to its member communities, which includes the City of Kimball. ACE has returned more than \$74,000 to Kimball for community betterment use.

Formed by Nebraska communities to ensure competition and to serve as a customer advocate, ACE offers several pricing options and encourages customers to actively choose a supplier. Pricing during the selection period is available on ACE's website: www.ACEenergy.org or by calling (800) 454-4759.
