City of Kimball Annual Chip Seal Street Improvement Project

The City of Kimball will begin its annual **Chip Seal Street Improvement Project** on **Monday, July 20, 2026**.

Residents who live along the streets listed below will be notified in advance before work begins. To ensure the project can be completed safely and efficiently, all vehicles, boats, trailers, campers, and any other obstructions must be removed from the affected streets prior to the start of construction.

Any vehicles or other obstructions remaining on the roadway when work begins will be towed at the owner's expense.

The following streets will be **closed for a minimum of four (4) hours** while work is being completed:

Street	From	To
Monroe Street	4th Street	6th Street
Madison Street	4th Street	6th Street
Jefferson Street	3rd Street	6th Street
Adams Street	4th Street	6th Street
East 4th Street	County Road 43/Jackson Street	Gotte Park

Please note that the exact completion time is unknown, as the work is being performed by a contracted company. We apologize for any inconvenience this project may cause and appreciate your patience as we work to improve our city streets.

If you have any questions, please contact **Mark Nelson, Street Department**, at **308-235-3639**.

Thank you for your cooperation and understanding.
