REQUEST FOR PROPOSAL

FOR

TREE REMOVAL SERVICES

The City of Kimball is requesting proposals from qualified and insured contractors to provide tree removal services. The purpose of this project is to safely remove designated trees, stumps and complete all associated cleanup in accordance with applicable laws, regulations, and industry best practices.

There is a total of six **(6) groups of trees** identified for removal. Three (3) groups are located within the City of Kimball, Nebraska, and three (3) groups are located in Bushnell, Nebraska. **All work must be completed between September 1, 2026, and December 1, 2026.**

Interested contractors are asked to contact the **City of Kimball** to obtain a complete project package for each group of trees. The packages will include the locations and specific details regarding the trees to be removed.

Contractors may submit proposals for one or more groups of trees. All proposals should include the cost of tree and stump removal, disposal, and all associated cleanup. Proposals should be submitted in a sealed envelope (1 group per envelope) with the group listed on the front, before 4:30 pm on August 25, 2026. The envelopes will be opened at the Special Tree Board Meeting on August 26, 2026, at 5:00 pm in the Council Chambers.

The City of Kimball reserves the right to accept or reject any or all proposals and to select the proposal(s) determined to be in the best interest of the City.
